Packaging Declaration

Please complete the table below listing total tonnes of packaging associated with a product marked with the Green Dot (i.e. the individually bar coded item/product) supplied by you, or on your behalf, in the Republic of Ireland. If the outer packaging (secondary and tertiary) is not marked with the Green Dot, this may be excluded.

The fees do not apply to packaging on products not marked with the Green Dot.

Packaging marked with the Green Dot and placed on the market in the Republic of Ireland. Please report tonnes for the previous calendar year.

Green Dot Licence Fees	Paper / Cardboard	Glass	Alum.	Steel	Plastic	Plastic Bottles	Wood	Paper/Plastic Comp	Metal Comp
2011 Fee in cent/kilo*	0.83	0.49	2.35	2.22	2.49	2.49	0.52	2.15	3.04
Imported Tonnes (2009)									
Irish Sourced Tonne (2009)									

A minimum annual fee of €980* applies to all licensees for use of the Green Dot.

Repak reserve the right to Audit any company to confirm their declaration of tonnage.

* all fees are subject to VAT at 21%

Packaging Regulations refer to the Waste Management (Packaging) Regulations 2007 S.I. 798
